

"Leading the World in Affordable, Effective Portable Foam Systems"

4002FILL-NHT 4002FILL-NPSH

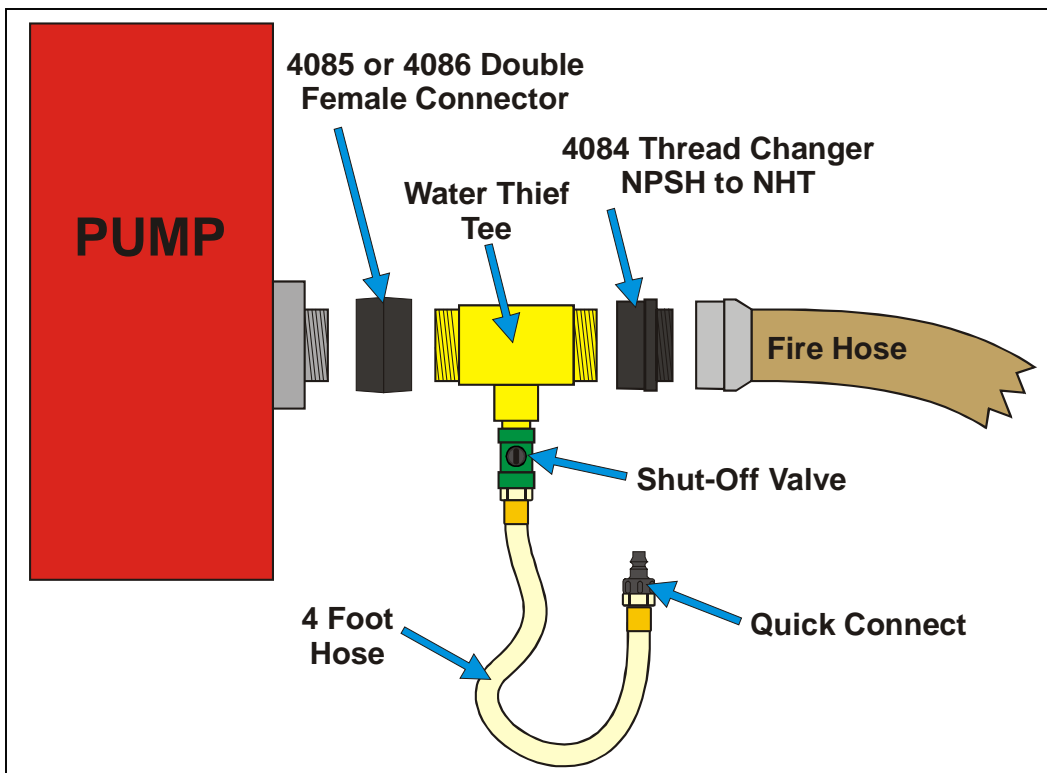

FILLER STATION FOR 4002 BACKPACKS

The Scotty 4002FILL provides a quick and easy method to refill water carrying backpacks. Just insert between any 1-1/2" outlet and hose to allow a single handed, quick connect to the 3/4" GHT fitting on the pick up hose of any Backpack. The system consists of a 1-1/2" Water Thief Tee, Double Female Connector (for connection to NHT or NPSH pump outlet), Thread Changer (for connection to NHT hose), 4 foot Hose and Quick Connect shut-off

All components of the system are made from glass-filled nylon or PVC and are impervious to corrosion. For connection to NHT pump outlets and hoses, order 4002FILL-NHT. For use to NPSH pump outlets, order 4002FILL-NPSH.
